

getNumBitsRead

```
graph LR; A[getNumBitsRead] --> B[vrenc::InputBitstream::getNumBitsRead]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'getNumBitsRead'. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'vrenc::InputBitstream' on the top line and '::getNumBitsRead' on the bottom line.

vrenc::InputBitstream  
::getNumBitsRead
